

Dear sir/madam,

I highly recommend Ron Bremner as an Executive Coach. Ron has completely transformed my outlook on leadership, which has in part contributed to a 20 point increase in my team's employee satisfaction in less than 12 months.

Ron is everything you would expect from an Executive coach, and more. Not only does he listen well, but he also goes out of his way to share personal experiences and be present at all times for his "coachees". Ron takes a keen personal interest in the people he works with. For him, it is more than a job – it is a vocation.

Ron's words of wisdom and approach to human relationships will stay with me for the rest of my career.

Please do not hesitate to contact me if you would like to discuss further.

Best regards,
